## **Venus in Furs** Leopold Von Sacher-Masoch

Leopold Ritter von Sacher-Masoch (27 January 1836 – 9 March 1895) was an Austrian writer and journalist, who gained renown for his romantic stories of Galician life. The term masochism is derived from his name. During his lifetime, Sacher-Masoch was well known as a man of letters, a utopian thinker who espoused socialist and humanist ideals in his fiction and non-fiction. Most of his works remain untranslated into English. The novel *Venus in Furs* was until recently his only book commonly available in English, but an English translation by William Holmes of *Die Gottesmutter* was released in 2015 as *The Mother of God*.
