A Thief's Honor T.M. Calhoun

In the city state of Andaria, professional thief and burglar Cade is making a killing...until wanted posters with his face start popping up everywhere. Making a break for it, Cade escapes into the countryside where he bumps into a most unlikely stranger, a terrified sole survivor of a brutal attack. When monsters threaten to destroy civilization as he knows it, Cade teams up with a motley band of would-be heroes to end the threat to the good marks--citizens of the world--once and for all. Darkly comedic and self-aware, Thief's Honor irreverently plays with the tropes of high fantasy to delightful effect.
