After the Moment Garret Freymann-Weyr

A new novel by the Printz Honor author Garret Freymann-Weyr, about a boy who discovers what happens when love fails us—or we fail love.

Maia Morland is pretty, only not pretty-pretty. She's smart. She's brave. She's also a self-proclaimed train wreck.

Leigh Hunter is smart, popular, and extremely polite. He's also completely and forever in love with Maia Morland.

Their young love starts off like a romance novel—full of hope, strength, and passion. But life is not a romance novel and theirs will never become a true romance. For when Maia needs him the most, Leigh betrays both her trust and her love.

Told with compassion and true understanding, *After the Moment* is about what happens when a young man discovers that sometimes love fails us, and that, quite often, we fail love.
