Holocausto Manhattan escenas eliminadas (no incluye novela) (Spanish Edition) Bruno Nievas

«Escribir una novela no es fácil. En este caso he destinado casi tres años para ver completada esta obra: dos años para escribirla y corregirla, seis meses para hacer correcciones junto al equipo de Ediciones B y otros seis más para el enorme trabajo que conlleva la realización, supervisión y modificación de imágenes y textos de cubiertas, textos promocionales, booktrailer y el sinfín de detalles que acompañan el lanzamiento de una novela en la colección principal de una de las editoriales más importantes del mercado iberoamericano. Durante este camino de tres años, muchos cambios. Miles, de hecho. Algunos tan llamativos que han afectado a escenas completas, que han sido eliminadas o modificadas en una parte importante con el fin de darle un giro a la historia que en muchos casos incluso han cambiado el devenir de esta de manera radical. A continuación se muestran nueve escenas eliminadas o en las que se han producido cambios que afectan a la historia.»
