I Killed A Black Man: The Sad Reality of why Black Men Kill One Another Raymond Sturgis

As the federal government statisticians inform the public that violent crime is down, however, black on black crime is still high. Black men are continuing to find violent answers for their disputes, which is a no win situation where one black man goes to the cemetery and the other to prison. This book emphasizes the need for black men to find peaceful solutions to their problems, while corroborating their experiences with gun and gang violence.
