Pine Hills Police: Four Complete Novels Terry Odell

Three full length novels featuring the small town of Pine Hills, Oregon and police detective Randy Detweiler are bundled in this collection of a blend of mystery and romantic suspense police procedurals: Finding Sarah, Hidden Fire, and Saving Scott. There's also an added bonus of Nowhere to Hide, a Pine Hills Police spinoff, featuring Colleen McDonald, first introduced in Finding Sarah. Join Randy and Sarah, Scott and Ashley, and Graham and Colleen as they solve crimes and fall in love.

Finding Sarah: Being robbed at gunpoint wasn't part of Sarah Tucker's business plan. Neither was falling in love with the detective who arrived to solve the case. For police detective Randy Detweiler, a routine robbery investigation turns into the biggest challenge of his career when he falls in love with the victim and ends up having to save more than her business.

Hidden Fire: Returning from a stint as part of a task force on violent crime, Randy Detweiler is eager to reunite with Sarah Tucker in Pine Hills, but she's having second thoughts about their relationship. Can she deal with a cop who gets called away at a moment's notice, especially one who won't talk about his job? Should Sarah force him to choose between his job and the us she envisions for the two of them? All bets are off when Sarah herself becomes a suspect in Randy's case. Is there a serial killer on the loose? Before long, it's more than their relationship that's in danger.

Saving Scott: Can a dead body in a chocolate shop revive a battle-fatigued cop? Or will it take the owner of the shop to save him? Homicide detective Scott Whelan lived for the job—until the day he was caught in the middle of a robbery gone bad. Although some call him a hero, he thinks of himself as a coward and a failure. He exists now in what he calls his “Dark Place”. He accepts a new job as a civilian with the Pine Hills Police Department, thinking being close to the job will be better than leaving it completely. But when he finds himself in the middle of the investigation. Scott has to choose where his loyalties lie—with his brotherhood in blue, or his attractive new neighbor, who needs someone on her side. * Book bonus: recipes included.

Nowhere to Hide: The trouble with running away is that you take yourself with you. After police officer Colleen McDonald is injured in a case gone south and her partner dies, she leaves her job and friends in small town Oregon for a fresh start as a civilian in Orlando. When a deputy sheriff comes to her door investigating a possible missing person, she's determined to get him out of her life by beating him at his own game. Deputy Sheriff Graham Harrigan is determined to prove he's worthy of a promotion to detective despite an unearned reputation passed down by an unsavory training partner. The attractive woman living in Jeffrey's guest-house complicates matters. Their rivalry becomes a partnership that stretches the boundaries of a professional relationship.
