Kids can learn how to tell time with a big, foldout, moveable clock-both analog and digital-and a funny story about how sharks spend their day!

At eight o'clock in the ocean flow,
Whale sharks wake, get dressed, and go.

Silly sharks have a very full day in this rhyming, interactive book that features a foldout, movable clock! At ten o'clock, they learn their 1, 2, 3's. At eleven o'clock, they play in a band. At four o'clock they learn water ballet. The clock opens out to accompany every page and shows both analog and digital time. Delana Bettoli's beautiful illustrations perfectly capture the humor of these wonderful sharks!

Illustrator Delana Bettoli's anthropomorphic illustrations make time-telling even more fun!
