Explanations for '10 Actual, Official LSAT PrepTests Volume V': LSATs 62-71 - Volume I: LSATs 62-66 (LSAT Hacks) Graeme Blake

The LSAT doesn't come with explanations. Even when you know the answer it's hard to figure out why you were wrong. Sometimes you still aren't sure about questions you got right.

"10 Actual, Official LSAT PrepTests Volume V: PrepTests 62 through 71" has 10 official LSAT pretests. This book gives you the explanations that should have come with those tests. This is volume I, and covers LSAT pretests 62-66.

Graeme Blake, an expert LSAT tutor, walks you through every question and every answer choice. You'll learn the best way to approach hard questions.

This book helps you read the minds of the test-writers, and see why each answer is right or wrong. You'll also find step by step diagrams for every Logic Game, and you'll see the conclusion and reasoning of every argument in the Logical Reasoning Section.

Author's Note: You'll need your own copy of LSAT Pretests 62-71 to use these explanations.

I could have included the LSAT Questions, but you would have paid \$70 more to make up the difference in print + licensing costs. You can buy those tests separately for \$25, and I wanted to make these explanations as affordable as possible. Enjoy! - Graeme
