20 Compelling Evidences That God Exists: Discover Why Believing in God Makes So Much Sense

Kenneth Boa, Robert M. Bowman

The major philosophical, scientific, sociological, and historical reasons for believing in God are presented clearly and concisely. Why do so many people assume that there is a God who exists and seeks a relationship with them? Remarkably, though millions upon millions do believe in God, they cannot give a single reason why. No wonder those who don't believe God exists remain unconvinced-there's no one to argue God's side. Now there is a resource that tackles the most profound arguments from philosophy, science, sociology, psychology, and history . . . and presents twenty clear, concise, and compelling evidences that make faith in God-and specifically Jesus Christ-reasonable. AUTHOR BIOS: Kenneth Boa is the president of Reflections Ministries, an organization that seeks to provide safe places for people to consider the claims of Christ. His books have now sold more than four million copies. Recent publications by Boa include Faith Has its Reasons, Conformed to His Image, and An Unchanging Faith in a Changing World. He is the consulting editor of the Zondervan NASB Study Bible and the editor-in-chief of The Life Promises Bible. Boa holds a B.S. from Case Institute of Technology, a Th.M. From Dallas Theological Seminary, a Ph.D. from New York University, and a D.Phil. from the University of Oxford in England.

Robert M. Bowman Jr., is the president of the Institute for the Development of Evangelical Apologetics (IDEA). Previously he served as a researcher and editor for the Christian Research Institute, the Atlanta Christian Apologetics Project, and Watchman Fellowship. For five years he taught apologetics, theology, and biblical studies at Luther Rice Seminary. He has authored six books, including Why You Should Believe in the Trinity, and coauthored two other books with Kenneth D. Boa, including the Gold Medallion winner, An Unchanging Faith in a Changing World.
