Historical Account of the Neutrality of Great Britain: During the American Civil War (Classic Reprint) Mountague Bernard

Excerpt from Historical Account of the Neutrality of Great Britain: During the American Civil War

This book is primarily intended as a contribution to the history of International Law. The struggle in which the American people were engaged between the years 1861 and 1865 was, from its magnitude, from the fact that it was partly maritime, and from the extensive intercourse which the United States maintain with Europe, singularly fertile in questions regarding the rights and duties of belligerent and neutral. I propose to give a succinct and connected account of these questions as they arose. Dry and uninteresting as they will probably appear to most men, such controversies have importance for all civilized communities, since there are few nations which can indulge the hope that they will not some day be plunged into war, and none that can expect to escape all contact with it.

I desire, in the second place, to exhibit, by means of such a narrative, a general view of the conduct of the British Government in relation to the war. In this way alone can it be fairly judged. It is only by taking them in connection with one another, with the general history of the revolt, and with the course pursued by other neutral nations, that the acts of Great Britain can be seen as they were, and in their true magnitude and proportion. Nearly five years have now passed since the restoration of peace.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
