An historical study of the differences between Greek and Hebrew thought.

Philippians 2:5

“Let this mind be in you, which was also in Messiah Yeshua’.”

What kind of mind do you suppose our Messiah had? Was He raised to think like Greek philosophers? Did He use inductive and deductive reasoning or comprehend the world in linear evolutionary models? The fundamental differences between Eastern and Western thought are comprehensively researched in this provocative book on how to think like the Messiah. When we learn to think like He did, we soon learn to truly follow in the Messiah’s footsteps.
