The Oracle of Rama: A Divination Deck Dr. David Frawley

Discover your destiny with The Oracle of Rama, the great oracle of India, and one of the simplest to use. Like the I Ching, it consists of various verses that one can use to answer life's questions. The system is based upon Tulsidas; originally written as an oracle and still a great classic in India today. Inspired by the symbolism of Lord Rama, a divine incarnation, the system is designed as a quick and insightful divination tool. This deck—the first of its kind—is divided into seven sections and offers the reader hundreds of different verses that you can select in response to queries. It can be used for matters of the heart and spirit, as well as for the practical matters of life; from health to relationships and career issues. Dr. Frawley adds new commentary and modern adaptation of this great classic.
