All his life, Brandon has played by the rules and flown under the radar – literally. As a were-eagle, he's carefully guarded his shape-shifting secret while seeking success in the human world. And where has it gotten him? Laid off from his high-paying tech job, renovating his grandmother's house, renting out the studio to someone who'll work on the remodel for free.

His new tenant Summer is exactly the sort of starry-eyed dreamer he never thought he could trust, but her courage and her curvy beauty haunt him. Has he finally found his mate?
