Contemporary Research Methods and Data Analytics in the News Industry (Advances in Media, Entertainment, and the Arts)

William J. Gibbs

Contemporary Research Methods and Data Analytics in the News Industry (Advances in Media, Entertainment, and the Arts) William J. Gibbs

The advent of digital technologies has changed the news and publishing industries drastically. While shrinking newsrooms may be a concern for many, journalists and publishing professionals are working to reorient their skills and capabilities to employ technology for the purpose of better understanding and engaging with their audiences.

Contemporary Research Methods and Data Analytics in the News Industry highlights the research behind the innovations and emerging practices being implemented within the journalism industry. This crucial, industry-shattering publication focuses on key topics in social media and video streaming as a new form of media communication as well the application of big data and data analytics for collecting information and drawing conclusions about the current and future state of print and digital news. Due to significant insight surrounding the latest applications and technologies affecting the news industry, this publication is a must-have resource for journalists, analysts, news media professionals, social media strategists, researchers, television news producers, and upper-level students in journalism and media studies.

This timely industry resource includes key topics on the changing scope of the news and publishing industries including, but not limited to, big data, broadcast journalism, computational journalism, computer-mediated communication, data scraping, digital media, news media, social media, text mining, and user experience.

From reader reviews:

Doris Geer:

Nowadays reading books be a little more than want or need but also be a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with knowledge books but if you want experience happy read one together with theme for entertaining like comic or novel. Often the Contemporary Research Methods and Data Analytics in the News Industry (Advances in Media, Entertainment, and the Arts) is kind of reserve which is giving the reader unstable experience.

Deb Valdez:

A lot of people always spent their very own free time to vacation or perhaps go to the outside with them family members or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity here is look different you can read a new book. It is really fun to suit your needs. If you enjoy the book that you read you can spent all day every day to reading a publication. The book Contemporary Research Methods and Data Analytics in the News Industry (Advances in Media, Entertainment, and the Arts) it doesn't matter what good to read. There are a lot of those who recommended this book. They were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to cover but this book offers high quality.

Monika Cunniff:

Playing with family in a very park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, in that case why you don't try point that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Contemporary Research Methods and Data Analytics in the News Industry (Advances in Media, Entertainment, and the Arts), you may enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout men. What? Still don't have it, oh come on its called reading friends.

Virginia White:

Guide is one of source of knowledge. We can add our understanding from it. Not only for students but in addition native or citizen need book to know the change information of year to year. As we know those ebooks have many advantages. Beside we all add our knowledge, can bring us to around the world.
