Indulge your deepest desires with this serendipity standalone tasty contemporary romantic comedy that is filled with surprises.

Mark is not your typical billionaire real estate tycoon. Sure he is good looking, private-jet-rich, and not afraid to spend his money. His down to earth personality, and slightly dysfunctional escapades are what makes him so adorably sexy and wildly desirable.

Anne is struggling to make it in the world of fashion. She is sexy, charming and the most adorable girl in the room – however, she is completely oblivious to being a diamond in the rough.

As fate would have it, Anne is down in the dumps when her hotheaded boss gets in a jam (and by default) gives Anne the opportunity of a life time – which turns into the greatest day of her life.

Except there's a catch – when billionaire Tycoon Mark Stone mistakes (desperately seeking a man) Anne Stamey for a supermodel, she does what every unassuming girl would do. She goes along with it, because secrets are sexy.

A Little White Lie is a fast paced seductive romance novella. This charming story has many twist and turns that will cheer you up and turn you on.
