God doesn't want your marriage to simply survive. He wants it to be superabundant. Indeed, Christ's first public miracle was to bring joy to a young couple when he turned approximately 150 gallons of ordinary water into the choicest of wines. *The Choice Wine: 7 Steps to a Superabundant Marriage* moves well beyond divorce-proofing your marriage to place a happier, healthier, and wealthier future within your grasp.

Follow Steve Bollman on an amazing journey as he integrates the latest findings from modern science with the wisdom of the ages and a little common sense to expand your vision of marriage, including

- the neurological research revealing the reality that husband and wife truly "become one,"
- the medical science indicating that the human person transcends the limits of the visible world, and
- the neurological reality that spouses are driven to be profoundly merciful to each other.

Along the way, you'll hear amazing stories destined to touch your heart:

- the Nobel Laureate in Medicine who witnessed two instantaneous miracles,
- the mother whose prayers transformed the heart of a mafia enforcer, and
- a very special couple who reveals the power of love to transcend the limits of this world to have a foretaste of Paradise.

The Choice Wine will help you experience the superabundant joy intended for marriage from the beginning.
