## **Up North** Sam Cook

In this unforgettable collection of essays, Sam Cook portrays the enchanting North Country as a state of mind as much as a geographical area. Up North captures the mystic moods, seasonal subtleties, and colorful characters that fill the region from the Minnesota canoe country to the vast expanse of the Northwest Territories.

Organized by time of year, Up North describes every season's pleasures-sled dog racing in winter, hooking a northern pike on the first spring fishing trip, building a summer campfire, watching the aurora borealis in fall. Up North is an invitation to explore canoe country through Sam Cook's eyes and your own.

"My favorite book for the dreamers or for any outdoor person who enjoys a good story . . . Sam Cook is a master at weaving a tale." -Outdoor News

In 1976 Sam Cook trekked north from his native Kansas to work for an outfitter in the Superior-Quetico canoe country. Now, as the Duluth News-Tribune's award-winning outdoors writer, he uses Duluth, Minnesota, as "base camp" for creating his humorous, powerful, and compassionate columns.

#### **Robert Bowser:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Up North can make you experience more interested to read.
