Alpha and Omega: A Novella from On the Prowl Patricia Briggs

Anna never knew werewolves existed until the night she survived a violent attack...and became one herself. After three years at the bottom of the pack, she'd learned to keep her head down and never, ever trust dominant males. But Anna is that rarest kind of werewolf: an Omega. And one of the most powerful werewolves in the country will recognize her value as a pack member-and as his mate.
