State Fragility Around the World: Fractured Justice and Fierce Reprisal Laurie A. Gould, Matthew Pate

Failed and fragile states often govern through the criminalization of otherwise inconsequential or tolerated acts. These weak states also frequently use kidnapping, murder, and other violent or oppressive tactics to maintain order and stay in power. **State Fragility Around the World: Fractured Justice and Fierce Reprisal** analyzes the path to state failure, one manifestation of which appears through the fragility and dysfunction of its criminal justice system. This book examines what happens when a government loses the ability, or will, to provide basic goods and services to its constituents.

Acknowledging the tremendous variability of failed and fragile states, the case studies and analyses contained in this book suggest the existence of functional and structural attributes common across most state systems. The authors explore the plights of various states in which key elements related to their criminal justice systems are weak or fragile. States under examination include Mexico, Afghanistan, Iran, Syria, and Georgia. Special attention is given to Somalia, Sudan, and South Sudan, which serve as examples of what happens to a state that fails in virtually all aspects of governance.

Using a unique approach, **State Fragility Around the World** articulates a specific method for assessing relative state fragility. Using this method, natural groupings of relative fragility and stability evolve, providing an unprecedented way to compare social phenomena and functionality across national and regional borders. Readers will also gain a deeper understanding of what it means to be a fragile state as well as how state fragility affects core freedoms, the criminal justice process, and mechanisms of punishment.
