*"Rebellion is a part of youth. Sometimes it's dangerous. Instead of a sword, I hold a guitar in my hands. I'm in the same, rigid world but instead of Molotov cocktails, I've got a computer. It's a much more powerful weapon."*

*Confessions Of A Heretic* is the forthright and erudite memoir of the front man and driving force behind the Polish heavy-metal group Behemoth, currently at the top of their game following the release of their 2014 US Top 40 album *The Satanist*.

Presented as a series of interrogations by friends and associates, the book reveals a complex man of great contrast--a health-conscious, highly personable intellectual known for his extreme views and even more extreme music--lifting the lid on everything from his clashes with the Polish Catholic church to appearing as a judge on the Polish edition of *The Voice* to his recent battle with leukemia.
