## **Prophecy of Stones** Mishka Jenkins

The bond of love can conquer all, but only if it is accepted. - Prophecy states that three champions imbued with the best virtues of the mortal race: heart, strength and soul, will be the ones to save them all from an enemy which threatens to steal the life from their world and those who live upon it. These three, along with their scribe, his bond mate, and an overly sarcastic oracle, must set off on a journey which will take them through forest, city, swamp and mountain. On this quest they activate the magical stones which charge the only weapon powerful enough to defeat Tildar and his cult of Dwell. Yet the closer they draw to journey's end, the more it seems that it is not the evil which will be their downfall, but the fear of a champion unwilling to accept the bond of their destiny. Prophecy of Stones is a story of adventure, love and magic.
