Strategy in the 21st Century

Randall Rollinson and Earl Young

Strategy in the 21st Century Randall Rollinson and Earl Young

Strategy in the 21st Century fills an important gap for managers as they struggle to implement strategy within their organizations. Strategy discussion is relatively easy; strategy planning is harder. This text goes even further in helping managers navigate the very difficult phases of strategy implementation and evaluation. The authors' deep experience in developing strategic management tools and processes provides readers with a structured methodology by which to understand and work through strategy execution throughout their organizations. It was a great read. I look forward to recommending it to colleagues, students and business associates. Peter Goldsmith, PHD Associate Professor of Agribusiness Management Department of Agriculture and Consumer Economics University of Illinois Rollinson and Young capture and outline the tools and techniques necessary to develop and implement a powerful and pragmatic strategic plan-from initial analysis through implementation management. It is clear, concise and comprehensive. The introduction and overview alone are invaluable as a digest of the best strategic management tools and thinking of the past fifty years. Coupling that introduction with a step-by-step approach to applying those tools in a real-world planning and strategic management process makes this book a must-have for executives' and strategy professionals' bookshelves. John Sterling President, Strategic Management Association Partner, Smock Sterling Strategic Management Consultants If you are in a leadership position, a CEO, a manager or a strategy professional looking for a practical approach to strategy development and deployment and how to manage once you do...read this book. The lessons and tools it delivers can be applied in any sector of engagement, be it private or public. It hits the nail on the head! Timothy J. Trotter President, Association for Strategic Planning Manager of Strategic Planning, DuPage County, Illinois

From reader reviews:

Monte Lawson:

The book Strategy in the 21st Century can give more knowledge and information about everything you want. Why then must we leave a very important thing like a book Strategy in the 21st Century? A number of you have a different opinion about publication. But one aim this book can give many details for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or info that you take for that, you are able to give for each other; you could share all of these. Book Strategy in the 21st Century has simple shape but you know: it has great and big function for you. You can search the enormous world by wide open and read a reserve. So it is very wonderful.

Lisa Sullivan:

A lot of people always spent their particular free time to vacation as well as go to the outside with them family or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you need to try to find a new activity that's look different you can read a new book. It is really fun for yourself. If you enjoy the book that you read you can spent 24 hours a day to reading a reserve. The book Strategy in the 21st Century it is extremely good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. In case you did not have enough space to develop this book you can buy the particular e-book. You can m0ore very easily to read this book out of your smart phone. The price is not to cover but this book possesses high quality.

Robin Adams:

This Strategy in the 21st Century is great book for you because the content which is full of information for you who always deal with world and still have to make decision every minute. This book reveal it info accurately using great manage word or we can point out no rambling sentences included. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but hard core information with beautiful delivering sentences. Having Strategy in the 21st Century in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no e-book that offer you world in ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt this?

Garry Brown:

Many people spending their time frame by playing outside together with friends, fun activity along with family or just watching TV the whole day. You can have new activity to enjoy your whole day by examining a book. Ugh, ya think reading a book can really hard because you have to bring the book everywhere? It all right you can have the e-book, delivering everywhere you want in your Cell phone. Like Strategy in the 21st Century which is getting the e-book version. So , why not try out this book? Let's observe.
