Over the past three decades scholars have transformed the study of women and gender in early modern Europe. This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi-disciplinary perspective. The authors examine women's lives, ideologies of gender, and the differences between ideology and reality through the recent research across many disciplines, including history, literary studies, art history, musicology, history of science and medicine, and religious studies. The book is intended as a resource for scholars and students of Europe in the early modern period, for those who are just beginning to explore these issues and this time period, as well as for scholars learning about aspects of the field in which they are not yet an expert. The companion offers not only a comprehensive examination of the current research on women in early modern Europe, but will act as a spark for new research in the field.
