Kids can be such monsters. Literally.

From the award-winning author of *Hidden Talents*, two remarkable short story collections - *Kidzilla* and *The Witch's Monkey* - together for the first time. *Plus* several brand new stories. Each hilarious and harrowing. A substitute teacher finds out she has some monsters for students. A group of kids attempt a levitation trick with hair-raising results. A neighborhood is so boring the grown ups are turning into...well...you know. And dozens more.

So don't be a weenie! Read these stories!
