## Merleau-Ponty and Buddhism

Merleau-Ponty and Buddhism explores a new mode of philosophizing through a comparative study of Maurice Merleau-Ponty's phenomenology and philosophies of major Buddhist thinkers including Nagarjuna, Chinul, Dogen, Shinran, and Nishida Kitaro. The book offers an intercultural philosophy in which opposites intermingle in a chiasmic relationship, and which brings new understanding regarding the self and the self's relation with others in a globalized and multicultural world.
