The Complete World of the Dead Sea Scrolls (The Complete Series) Philip R. Davies, George J. Brooke, Phillip R. Callaway

"Details how the scrolls, one of history's great language troves, depict the tumultuous Judean world of 2,000 years ago."—*Natural History*

Ever since the first scrolls were found in the Judean desert in 1947, the Dead Sea Scrolls have been the subject of passionate speculation and controversy. The possibility that they might challenge assumptions about ancient Judaism and the origins of Christianity, coupled with the extremely limited access imposed for many years, only fueled debate on their meanings.

With all the scrolls now available in translation, conclusions can be drawn as to the authorship and origins, their implications for Christianity and Judaism, and their link with the ancient site of Qumran. This book, written by three noted scholars in the field, draws together all the evidence to present a fully illustrated survey of every major manuscript.

With numerous factfiles, reconstructions, scroll photographs, and a wealth of other illustrations, it is the most comprehensive and accessible account available on the Dead Sea Scrolls. 84 color and 132 black-and-white illustrations

From reader reviews:

Tim Walton:

What do you consider book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Merely you can be answered for that query above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't desire do that. You must know how great and also important the book The Complete World of the Dead Sea Scrolls (The Complete Series). All type of book would you see on many sources. You can look for the internet sources or other social media.

Mildred Olsen:

As people who live in the particular modest era should be change about what going on or facts even knowledge to make these people keep up with the era which can be always change and move ahead. Some of you maybe will update themselves by studying books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This The Complete World of the Dead Sea Scrolls (The Complete Series) is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Katherine Holt:

Nowadays reading books become more and more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The info you get based on what kind of book you read, if you want send more knowledge just go with schooling books but if you want feel happy read one with theme for entertaining for example comic or novel. The The Complete World of the Dead Sea Scrolls (The Complete Series) is kind of book which is giving the reader erratic experience.

William Brown:

Is it you actually who having spare time and then spend it whole day through watching television programs or just telling lies on the bed? Do you need something totally new? This The Complete World of the Dead Sea Scrolls (The Complete Series) can be the respond to, oh how comes? The new book you know. You are therefore out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these books have than the others?
