Years after a great oak tree tumbled to the ground, a whole community of animals made it their home. Roly-polies and daddy longlegs prowled here and there, while chipmunks and salamanders dashed everywhere. Question: Is the old tree alive? Or is it now dead? This lighthearted book offers a marvelous insight into a unique and easily-accessible community of forest animals. Jennifer DiRubbio's vivid close-up illustrations bring these fascinating creatures to life. Parents and teachers: the author offers over a dozen activities, projects, and lots of cool ideas ranging from suggestions for an animal diary, readers theatre, finger play, and much more that will help make learning fun.
