This book is a response to the very disturbing book by Manning Marable, *Malcolm X: A Life of Reinvention*. Under the guise of “humanizing” Malcolm, Marable and the array of secret forces behind him in fact demonize him. To accomplish this, his book’s approach is a slow, subtle, deliberate, methodical strategy to “assassinate” Malcolm--again--as it were, charging, among other things, that he was both gay, and simultaneously cheated on his girlfriend with other females. Also, Marable accuses Malcolm of having cheated on wife Betty with several women. Convincing evidence in *The Re-Assassination of Malcolm X* proves the folly of Marable's contentions. There can be no doubt that a conglomeration of Malcolm’s long-time enemies has worked in concert to cleverly dismantle his legacy. Marable's book is particularly insidious because it engages the reader with fascinating details and blow-by-blow action, then injects him with a dose of powerful poison in the form of misinformation, or spins on the truth. You may feel good reading his book at times, but I promise you it will leave you with an intellectual STD! Every attempt is made to completely and thoroughly shatter any so-called “romanticized version” of the life of Brother Minister. *The Re-Assassination of Malcolm X* is an effort to set the record straight.
