**Developing Christian Education in the Smaller Church (Griggs Educational Resources Series)** Carolyn C. Brown

Small churches have many things going for them--a family atmosphere, lively services, and more. But there are problems; one is starting a viable Christian education program. With relatively few resources at hand, the would-be church school organizer faces a formidable task.

At last, here's a book that shows how to overcome the odds. Borrowing from her wide experience with smaller churches, Carolyn C. Brown presents a multitude of original ideas. Like other titles in the popular Griggs series, this workbook is meant to be used as the need arises. There is something here for all ministers and leaders of small churches.
