As a student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
