Bibliomancy is one of the oldest and most widely used forms of divination . With over 600 insights, messages and words of wisdom from the Ascended Masters and Angels, this channeled divination tool represents what is probably the most comprehensive and contemporary example of truly guided thoughts and solutions from the higher realms. Guiding Light was channeled direct from Hilarion, El Morya, Archangel Michael, Archangel Raphael and comes to you with the clarity, vision and insights that you would expect to receive from higher sources of inspiration. To be used only as a serious tool for intuitive connection with higher sources of understanding, Guiding Light represents a classic and most suitable example of this art, requiring no skills of translation or understanding of symbology.
