The Flash Vol. 6: The Secret of Barry Allen Geoff Johns

When Wally West learns The Secret of Barry Allen, it turns out to be more than he wanted. After all, the main thing on his mind is why his wife, Linda, has left, apparently a repercussion of the Spectre's attempt to reestablish Wally's secret identity by wiping it from everyone's minds. That also causes problems with the Justice League, who are now wondering why they no longer know who their teammate is. And that's not even mentioning the rogues' gallery of villains plotting to bring the Flash down. The three-part title story involves a crossover with the famous Identity Crisis story line, and the moral/ethical dilemma surrounding what the League did to Doctor Light proves to be only part of the story. Collects Flash issues 207-211 and 213-217.--
