Scandalous Obligation: Rethinking Christian Responsibility

Eric R. Severson

Scandalous Obligation: Rethinking Christian Responsibility Eric R. Severson

Responsibility is routinely overlooked, manipulated, and oversimplified. In *Scandalous Obligation*, Eric Severson explores the scope of Christian responsibility. This book delves into the slippery nature of obligation, the dilemma of competing calls for justice, and the perilous temptation to dismiss or avoid responsibility. Using examples from popular culture Severson casts an expansive and often daunting vision of responsibility that challenges the status quo. This book presses readers to consider the many complications that arise when Christians begin to understand the extent of their responsibility for the suffering that abounds in the world. It explores how Christians are to turn this approach to responsibility toward the clouds of injustice and pain that hang over our world today. With a brilliant use of Scripture, illustrations, and insights from classical literature and philosophy, Eric Severson makes us aware in this book that sin is not simply the breaking of rules, but is living with indifference to the needs of others when confronted by those needs.'-- Tony Campolo Professor Emeritus of Sociology, Eastern University Author, *Adventures in Missing the Point*, *Red Letter Christians* In an era when so many Christians confuse their ethics with their politics, Severson summons the followers of Christ to once again take note of the 'alien at the gate.' *Scandalous Obligation* is a disturbing wake-up call to a church grown self-absorbed and complacent.'--Karl Giberson Vice President, BioLogos Foundation Co-author, *The Language of Faith and Science*
