The Guardians of the Night: a sect of vampires in Philadelphia who don't believe in drinking human blood, and who have taken it upon themselves to protect the humans in Philadelphia from all bad vampire elements. Now one of their own has gone rogue - and is planning to kill a vampire who's living in Baltimore. Two people are dispatched to find Jules and stop him: Drake, a killer vampire with a killer instinct, and Hannah, a human PI with an eye for trouble. When humans and vampires mix, things always get complicated. Drake melts into the shadows, but Hannah marches right up to Jules - and her lust for him complicates their situation even more. Jules knows there's no way he can salvage his original plan now - to extract revenge upon his maker for forcing him into an unlife of vampirism - but oddly enough, the more time he spends with Hannah, the less he wants revenge. But is it lust or love? When circumstances force Jules to transform Hannah into a vampire, he thinks that's the end for whatever budding relationship they might have had - but for Hannah, it's the beginning of their eternity together.
