Visionary gardener Tammy Hollins is making a new life for herself and her children after a tragic marriage. Plants she understands, but men...well, they're of the weed variety. She's started her own landscaping business, catering to her country music rock star brother's friends. Her first client is sexy, soulful, Alpha hero material, and the one man who tantalizes her and scares her to death.

John Parker McGuinness is a man of many talents, working as a songwriter and lawyer for country music's biggest stars. He's drawn to Tammy like no other and hires her as his landscaper, wanting to show her they're made for each other. When Tammy learns he's a professed chocoholic, she fashions a magical garden for him--a chocolate garden.

As the garden comes to life, their love for each other grows. When tragedy strikes Tammy's home, John Parker is willing to move mountains to protect her and her children. Tammy struggles to guard her newfound independence as they use the magic of the chocolate garden to help her children feel safe again. But when secrets from Tammy's past resurface, can their love and passion survive the memories haunting her? (love story, contemporary romance, alpha males, heroes, billionaire, beach reads, romance, cowboys, falling in love, sweet romance)
